January 2012

Newsletter

News

Hi folks,

Happy New Year to all! May 2012 be a year of new beginnings, new opportunities, and new accomplishments. At Liquor on McLeod, we are continuing to improve the services we provide to our customers and will be trying some new approaches during the coming year.

Our seated tastings will become more specialized and in January, we are offering "An Introduction to Wine" on Friday, January 20th. This will focus on an approach to white and red wines and food with the aim of making the appreciation and enjoyment of wine easier to understand. We will also honour Robbie Burns with a Scotch tasting on Friday, January 27th. Both tastings will start at 7:00 p.m., the wine tasting will cost \$25.00 and the Scotch tasting \$35.00 per person. Please come in to the store and purchase tickets in advance. Alberta's new Impaired Driving Law will affect our seated tastings in that we will be even more careful about the size of samples poured and to ensure that all

participants have a safe ride home.

Our recently established Wine of the Month Club has been very well received and we will continue to fine-tune it, incorporating ideas and suggestions from member surveys and other customers. Any new members who sign up after January 8th will receive their first wines in February.

This month, I would also like to highlight some of the other services available to our customers:

Consultation for, and supply of, products for banquets, weddings, etc.

Wine and specialty tastings in-store as well as our seated tastings.

Private tastings available at your location or in our tasting room.

Consultation for stocking a wine cellar or home bar.

Gift certificates, giftware, and custom gift baskets.

Have a safe and happy January!

Cheers,
Terry
